## Notes

The Motor Fuels Tax rate is 27.9 cpg for gasoline and 31.3 cpg for diesel on 1/1/20. Motor fuel sales are exempted from the 4% state sales tax. HB170 passed in 2015 imposes a \$3.00 cap on the average retail sales price used to calculate the prepaid local tax rate. The local sales tax amount is included in "other taxes." This calculation uses the state average price for fuel and a weight average for the local sales tax rate.
