"Other Taxes" includes an Underground Storage Tank rate of .3 cpg and an Environmental Impact Fee rate of 0.8 cpg. Illinois exempts E85 and diesel blends of more than 10% biodiesel from sales taxes. The 20% sales tax exemption on E10 is no longer in effect. Other Taxes also includes a 1.1 cpg tax for underground storage tank fund, and other local sales and gasoline taxes. The state-wide sales tax is 6.25%, with some local sales taxes making it as high as 10%. Cook County collects 6 cpg, and Chicago 5 cpg which is permitted to raise its tax by 3 cpg if needed under the 7/1/19 law. DuPage, Kane, and McHenry Counties impose a 4 cpg tax. Under the 7/1/19 tax increase these three counties, as well as the newly added counties of Lake and Will, are permitted to raise their county gas taxes to 8 cpg if needed. Any city of over 100,000 can also impose a tax of 1 cpg by referendum.
